## 2009 CABERNET FRANC

### TASTING NOTES

Our estate-grown Cabernet Franc is a rich and bold, dry, red wine. We allow the berries early sun exposure to maximize fruit character. An abundance of ripe cherry shines throughout this estate-grown Cabernet Franc, mingled with rich plum and notes of blueberry in the lingering finish. The rich soils of the Knobstone escarpment lend herbal tones of sage, licorice, and tobacco. One year of barrel-aging contributes fine tannins and hints of toast.

Pairs well with steak or hearty pastas and stews.
