## PEACH

### TASTING NOTES

By combining our heritage as a fruit farm with our experience making fine wine, we strive to bring the flavor of our orchards to your glass. Our Peach Wine is made using 100% tree ripened peaches. The production methods we employ are traditional and labor intensive, but we believe that every wine drinker deserves the finest wine we can craft.

Enjoy this sweet peach wine on its own or with your favorite pie or cobbler recipe.
