"Family Owned and Farmed Since 1843"

STRAWBERRY

TASTING NOTES

Strawberry wine was the first wine produced by Huber Winery. Today is still the first crop each season. By using our top quality home-grown berries we are able to produce a wine that is true to the aroma and flavor of fully ripened berries.

This summer sipper can be enjoyed on its own or used in sangria recipes. Chilled and spritzed, it makes a thirst quenching drink.
