## SWEET MARCELLA

### TASTING NOTES

Concord vineyards were first planted on the Huber farm in the late 1870's. Capturing the flavors she grew up with, Marcella Huber created this Concord wine in 1991. After years of refining this wine style, Sweet Marcella, her namesake, was released in 1996.

Today the 6th generation of the Huber family and the wine-making team work hard to carry on this style of wine. The Huber family has embodied the tradition of Concord wine-making in Starlight for over 100 years.

Jammy Concord grape flavors allow this wine to accompany your favorite dishes and desserts, or simply be enjoyed with your friends and family.
