SUMMER 2013 SWEET WINE SELECTION

Enclosed you will find the Summer 2013 Huber Wine Club Sweet wine selection, chosen for you by our Master winemaker. We are also including informative tasting and pairing notes for each wine. Cheers!

DANA'S TRAMINETTE (SWEET)

One of the Huber Family's all-time favorite varietals gets special treatment once a year with this Sweet bottling of Dana's Traminette. Already a VIP, having come from the vineyards next to Ted & Dana Huber's home, the gorgeous honeysuckle and apricot flavors are heightened with a touch of sweetness. This year's version is exceptional, showing green pear and honey on the tongue and maintaining fresh florals on the nose. All that is needed to enjoy it is a quick chill and a glass to fill.

SWEET VALVIN MUSCAT

Our third bottling of this sweet wine is our best yet! Our award-winning Muscat grapes are already good and sweet, and the resulting wine is ideal for Spring. This year's version has a delicate citrus note followed by more pronounced honey and lily in the middle. Balanced with an acidity that keeps it from feeling too sweet, you will want more than one glass of this one. Serve with a fresh salad, grilled pork, or lightly seasoned fish dishes.

STRAWBERRY INFUSION

You can't think of Spring in Starlight without thinking of strawberries! Our Strawberry Infusion is perfect for welcoming Spring to your table. Bursting with fresh strawberry flavor, it is as sweet and juicy as the berries we use in it. A natural for cocktails (see some recommendations below), it is also a great addition to desserts. Kick up your cheesecake, brownies, shortcakes...or just pour some over vanilla ice cream. *(Just remember, at 18% alcohol it packs a bit more punch than table wine, and a little goes a very long way!)*
