STELLA DI LUCE

TASTING NOTES

Stella di Luce is a rich, dry rosé. In order to obtain the perfect color from our dark red grapes, we bleed the delicate juice from pre-macerated must, with about five to eight hours of skin contact. This process yields fine and dense pink and rose-colored juices bursting with flavors and aromas of black cherry, raspberry, and strawberry. We carefully select yeast and maintain cool fermentations to preserve the rich essences of the grape all the way to the glass.

TECHNICAL DATA

COMPOSITION:

CHAMBOURCIN, CABERNET SAUVIGNON
AND CABERNET FRANC

COOPERAGE: STAINLESS STEEL

ALCOHOL: 13.1%

PH 3.46

TA .66

PRODUCTION: 148 CASES
