## BOURBON BARREL

# Blackberry

Blackberries have been growing wild on the Huber property since 1843 and hence the popularity of our Blackberry wine. At Huber's, we always believe in putting a new twist on tradition and we have done exactly that with our Bourbon Barrel Blackberry.

This wine is different because we age it in a Starlight Distillery “Carl T.” Bourbon barrel which gives this wine more complexity and mouth feel. A sweet flavorful wine made from sun ripened blackberries and ending with a slight tartness on the finish that keeps you coming back for more.
