SPRING 2016 DRY WINE SELECTION

We hope you enjoy our Spring 2016 Selection, which has been chosen for you by our winemakers. Enjoy the tasting notes, food pairing suggestions, and our special recipe. Cheers!

2014 PETIT VERDOT

This robust dry red wine is one of our favorites. The sturdy Petit Verdot grape produces a wine that is full of flavor, with a heavy tannic structure. Full stone fruit, roasted fig, and rich berry flavors, it has a bone-dry finish with just a touch of vanilla. This wine will challenge your palate in the best possible way. A suitable companion to robust beef dishes, it is equally at home with a tray of strong cheeses or even chocolate.

CUVEE BLANC

This is just the second bottling of our Dry Sparkling white, and it is even better than the last. Crisp and effervescent, soft and delicate, it is a signal of warmer weather and good times just around the corner. Apple and citrus highlight this fresh sparkling wine, with just a hint of mineral on the finish; it is refreshing, delicious, and perfect for a celebration—or a Tuesday night! Add your favorite fruit juice or infusion for a special cocktail, or try any one of the easy, delicious cocktail recipes below, and say cheers!

2014 CHARDONEL

This dry, crisp white pleases the palate with soft citrus notes and a delicate acidity. Both smooth and bright, with a clean finish, it is an ideal wine to sip with a spring dinner. Estate-grown Chardonel grapes result in a wine that is lighter than the more commercially-available Chardonnay, and stainless aging leads to a less buttery taste than barrel-fermented versions. It will pair perfectly with chicken, fish, and vegetable dishes, particularly those prepared with buttery sauces, as the crispness of the wine will cut through to create a beautiful counterpoint.
