Rock *and* Rye

Starlight Distillery reinterpreted
"America's Historic Cocktail."

Rock and Rye was a late 18th and early 19th century bar staple. Spirits base is young rye whiskey distilled from rye and malted barley in our 500 gallon copper pot still. Our version is sweetened with rock candy sugar, infused with citrus peel and aromatics. Nothing artificial is added. It will spice up an old fashioned, sipped neat or with a little ice, bitters and maybe a twist.
