STARLIGHT
DISTILLERY

31 STARS VODKA

31 STARS VODKA goes from grain to bottle starting with heirloom corn which is grown, milled, mashed, distilled, and bottled by our family and on our 650 acre farm in Starlight, Indiana.

- Named after our distilled spirits plant number for Indiana: DSP-IN-31.
- "Stars" relating to our community of Starlight, Indiana.
- Locally farm grown, non-GMO corn.
- Corn grown on estate and harvested, milled, mashed, & distilled.
- Distilled 7 times on a copper pot still.
