## FALL 2020 SWEET WINE SELECTION

### SPARKLING MOSCATO

Our Sparkling Moscato is always a favorite among our guests, and this bottling is sure to please. Less sweet than many Sparkling Moscatos on the market, our version retains the characteristic peach and apricot notes that you look for in the Muscat grape, in a slightly sweet bubbly delight. Perfect for celebrations, but equally good with Sunday Brunch. Or try a fun twist on a mimosa by adding an ounce of mango juice and a few dried cranberries to a glass. Instant party, any day of the week!

### SPICED APPLE

After a year off (and lots of requests!) our Annual release of Spiced Apple wine has once again been allocated to make sure our Club members get a bottle. This deliciously crisp and juicy wine — made from Huber's own Estate Grown apples — is truly Autumn in a glass. Spicy and sweet, with hints of cinnamon, nutmeg, and clove, it is perfectly balanced, and ideal chilled on its own, or heated with a splash of brandy for an instant Fall warm-up! Always welcome at a bonfire or Fall picnic, this wine also makes a great cocktail. Try our ever-popular Spiced Apple Sangria for your next Fall party!

### ORCHARD FROST

This newcomer to the Ice Wine style game is already a favorite with our staff and customers alike. Orchard Frost takes a page from Autumn Frost's playbook and comes to your table with a fresh, crisp, sweet flavor you will love. Beyond traditional dessert wines, this classically-styled aperitif is bursting with sweetness, a touch of tartness, and a honeyed finish. Think Red Delicious meets Granny Smith—with a kick! It is best enjoyed cold with creamy rich cheeses or mild meats, like a good summer sausage. Savor this one in the last days of Summer!

### **SPICED APPLE SANGRIA**
