STARLIGHT
DISTILLERY

BLUEBERRY LIQUEUR

Made from 100% blueberries, with a portion harvested from the Huber estate, this liqueur is distilled Blueberry Brandy aged & infused into fresh blueberries.

The infusion process is where the sweetness is derived resulting in the beautiful rich color which is characteristic of liqueurs. Filtered & barrel aged in repurposed Huber port barrels gives this product rich complexity and sophistication.

Our Blueberry Liqueur is the result of blending multiple vintages together that are aged anywhere from 4 – 8 years.
